Education

University of South Florida

Bachelor of Science in Computer Science

GPA: 3.59

Tampa, FL

Expected May 2026

Pasco-Hernando State College

Associate's in Arts

- *President's Honor List 2022/2023*

New Port Richey, FL

Aug. 2021 – July 2023

Experience

Retail Sales Associate

Nike

May 2021 – Present

Lutz, FL

- Leveraged strong communication skills to assist customers, providing personalized service and ensuring high satisfaction, directly contributing to repeat business and positive customer feedback.
- Collaborated with team members to achieve a 10% increase in overall store sales, emphasizing the ability to work effectively in a team-oriented environment.
- Utilized point-of-sale and inventory management systems, demonstrating adaptability to new technologies and software tools.

Summer Maintenance Worker

Ranger College

July 2019 – July 2019

Ranger, TX

- Partnered with a team of 5 maintenance workers to identify and resolve various repair and restoration issues, demonstrating effective teamwork and problem-solving skills.
- Implemented efficient maintenance and restoration techniques to restore 30 dormitory rooms to pristine condition within a tight timeframe.

Projects

Dividend Tracker / *HTML, CSS, JavaScript, Python*

April 2024 – Present

- Designing a user-friendly and responsive interface, allowing users to track dividend payments and portfolio performance.
- Implementing APIs to fetch real-time stock and dividend data from financial databases.

Arduino Robot / *C++*

Jan. 2024 – May 2024

- Directed the software development for a team project involving the design and implementation of a robot using an Arduino microcontroller.
- Developed and coded the robot in C++ to autonomously follow a predefined path, utilizing two infrared sensors for input detection and guidance.

Lawn Care Webpage / *HTML, CSS*

Jan. 2023 – May 2023

- Designed and developed a responsive lawn care webpage using HTML and CSS, ensuring compatibility across multiple devices and browsers.
- Utilized version control systems to track changes.
